RICHMOND, VA.,

MONDAY MORNINGI NOVEMBER 8, 1875.

A NEW CAMPAIGN. WARFARE AGAINST OFFICERS OF ELECTION.

VOL. XLVIII.

Independents Still Pushing.

On Saturday morning Colonel W. C. Knight and Mr. John S. Wise, his counsel. appeared before Judge Wellford and filed the following petition: To the Hon. B. R. Wellford, Judge of the

Circuit Court of the City of Richmond:
Your petitioner, William C. Knight, respectfully shows that on the 2d day of November, 1875, he was a caudidate for the Virginia Senate from the city of Richmond against one Bradley T. Johnson. That be has reason to believe and does believe that at the Second precinct of Jefferson Ward gross frauds were perpetrated upon him, and many votes cast for him were abstracted from or never allowed to enter the ballot-box at that precinct, and others were substituted for them. He has resson also to believe that many spurious and false ballots were east at that precinct. Your petitioner is advised that by law he is entitled at all times to inspect the registration-books of that precinct; that the only way in which he can obtain his proof of fraud is by copying from those books the names of those voters, white and colored, that the registrar and judges there allege to have voted. Possess ing this copy and comparing it with the pollbooks returned to the Hustings Court by the judges of that precinct, the truth of those returns can be verified or falsified without difficulty. The returns from that precinct show but 188 votes cast for your petitioner against 474 cast for B. T. Johnson. Petitioner is satisfied that this return is fraudu lent. In the gubernatorial contest between Hughes and Kemper 806 votes were cast, of which 538 were cast for Kemper and 268 for Hughes, leaving a majority for Kemper of but 270. In this contest but 662 votes were cast, of which 474 are returned as cast for Johnson and but

188 for petitioner, giving Johnson 286 majority. Your petitioner is satisfied that if he is allowed, as by law he has the right to the city of St. Louis on the 23d day of the do, to inspect the registration-lists of said precinct, and take down the names of those eder the subject of a Pacific railroad through who were checked off as voting, he can prove by the electors themselves that over and to take such action in its favor as may 300 of the votes cast were cast for him. It seem fit; and whereas the undersigned has is absolutely necessary that your petitioner been requested to appoint delegates to at- shall be allowed this his legal right at once. for the law requires him to furnish his adversary a full list of the fraudulent votes within ten days after November 2d, 1875. John A. Lacy, one of the judges at this precinct and registrar, has in his possession the registration-books of said precinct. Contrary to law, he absolutely refuses to allow your petitioner or any one else to copy the names of those checked off on said list as voting on election-day. Said Lacy has been an active partisan in behalf of Johnson, and petitioner believes and charges that his purpose and design is to delay and hinder petitioner in procuring his proofs until the expiration of the ten days allowed him by law, in plain violation of section 14. chapter 7, of the Code of Virginia. Wherefore your petitioner prays that said Lacy may be made a party defendant hereto and summoned to appear before the Pacific Railroad Convention to be held | your Honor forthwith; that the Commonwith by your Honor to compel said Lacy forthwith to allow petitioner to have access it; and for such further relief as may be necessary to protect your petitioner from this fraud and enable him to fairly contest an election in which he has been g ossly defrauded.
May it please, &c. W. C. Knight.

Sworn to before R. D. Ward, N. P. Another petition, simply alleging that he desires to inspect the registration-books of the Second precinct in Marshall Ward, and that Mr. James P. Sharpe, the registrar, denies him that right, and asking the Judge to compel Mr. Sharpe to show his books, was filed by Colonel Knight. The validity of the returns from this precinct are also to be contested, the petition states.

The latter petition was sworn to by Colo-

nel Knight in open court. In each case Judge Wellford ordered the registrar to appear at 4 o'clock Saturday af-

and show cause why the prayer of said petition shall not be granted." The sheriff at 4 o'clock made return that Mr. Lacy couldn't be found, as he had, as was his custom on Saturdays, gone to his his mouth from, as he states, a blow given farm in New, Kent county. He is expected

> why the mandamus should not be awarded was enlarged to 2 o'clock to-day. Mr. Sharpe appeared in person, and brought his books with him. After consulting with his counsel (Mr. W. L. Roy-

all) he filed a response stating
"That he has never refused the said petitioner, William C. Knight, the right to inspect and copy said books. On the contrary, this respondent has always declared to every one inquiring about them that the said books were at all times open to inspection by every one. This respondent has been the registrar breaking into the dwelling-house of at said precinct for two years, and in all be propounded on the black-board, and Arthur McCow and stealing a lot of clothing, that time, while always holding his said books open to inspection, he has always refused persistently to allow copies to be made of the same, and he submits to the court whether he is compelled by law to allow copies of the same to be made. This respondent has already been applied to to allow copies to be made since the election held in this city on the 2d of November, 1875, and

he has refused permission to that person." Judge Wellford expressed the opinion in the course of the proceedings that registra- in the examination will then be reported to tion-books are public records, and are open to the voters either for inspection or copythe Richmond Howltzer Association are to ing at all reasonable hours. Mr. Royall

acquiesced. By consent the petition was dismissed at

appointment with Mr. Sharpe to copy his books this morning. THE CASE OF MR. VAIDEN.

Macdougal, Marxhausen. and Morrison are to be examined. Policeman Michaels undertook for Mr. Vaiden.
